Case No:	SDNP/14/01167/CND		
Date Valid:	4 April 2014	Decision due:	30 May 2014
Team:	CDCDM	Case Officer:	Mr Andrew Williams

Applicant: Miss Tascha Hall
Proposal: Proposed changes to design of rear extension.
Location: 5 St Margarets Cottages, Haslemere Road, Fernhurst, Haslemere,
West Sussex, GU27 3HP,

The application was discussed and although the Committee approved the rear extension and front porch, rejected the extension to the side of the property on the following grounds:

The proposed side extension is too close to the neighbour's fence and raises concerns over loss of light and therefore amenity. The Committee also agree with the neighbour's objection with regard to the side extension encroaching on his garden.

Proposed by Cllr Bicknell and Seconded by Cllr Chapman that the application be recommended for rejection. Carried.
